NOVA: POISONED WATER

Water. Turn on the faucet and it's always there. Without it we perish. But how safe is our tap water? In this special report, Nova investigates what happened in Flint, Michigan when local officials changed the city's water source to save money, but overlooked a critical treatment process. As the water pipes corroded, lead leached into the system, exposing the community—including thousands of children—to dangerous levels of poison. Nova uncovers the science behind this manmade disaster— from the intricacies of water chemistry, to the biology of lead poisoning, to the misuse of science itself. Nova follows ordinary citizens and independent scientists who exposed the danger lurking in Flint's water and confronted those who turned a blind eye. Still, there's a disturbing truth that reaches far beyond Flint—Water systems across the country are vulnerable to a similar fate. How can we protect ourselves from poisoned water?

Airs Tuesday, June 6th at 7PM

MASTERPIECE: KING CHARLES III

The hit Broadway show *King Charles III* is adapted for television. A 2016 Tony nominee for Best Play, *King Charles III* imagines Prince Charles' ascension to the throne following Queen Elizabeth's death. Lauded by the *New York Times* as a "flat-out brilliant portrait of a monarch in crisis," the play was critically acclaimed in London and New York. The 90-minute adaptation will star members of the Broadway cast and will reunite the Tony-nominated creative team behind the play: Writer Mike Bartlett will adapt from his own script — daringly written in blank verse—and Rupert Goold will direct.

Airs Wednesday, June 14th at 7PM and Saturday, June 17th at 11PM

ALWAYS HUNGRY? WITH DR. DAVID LUDWIG

Airs Thursday, June 15th at 7PM and Saturday, June 24th at 3:30PM

JOE BONAMASSA LIVE AT CARNEGIE HALL

On this very special all-acoustic concert, world-renowned platinum-selling Blues-rock singer-songwriter and guitarist Joe Bonamassa is joined by an all-star ensemble of world-class musicians, including the acclaimed Chinese cellist and erhuist Tina Guo, whose repertoire stretches from classical to heavy metal; and Hossam Ramzy, the Egyptian percussionist and composer, who has performed on dozens of film soundtracks and records, and was the percussionist on Jimmy Page and Robert Plant's *No Quarter: Unledded Tour*. Reese

Wynans (piano), Anton Fig (drums) Eric Bazilian (mandolin, hurdy-gurdy, saxophone, acoustic guitar, vocals), and three backing vocalists, Mahalia Barnes, Juanita Tippins, and Gary Pinto. Everyone knows the old saying about how to get to Carnegie Hall, but Bonamassa has truly lived that advice. His entire life and musical career has been practice for this moment, and a young blues-boy is finally making good on his childhood dream of playing one of the most hallowed stages in the world. This stripped down, all-acoustic show will truly allow his fans a glimpse into his soul and presents a thrilling and musically dangerous spectacle akin to walking a tightrope without a net. Don't miss this once in a lifetime opportunity to watch Joe Bonamassa join the pantheon of musical legends to have played this one of a kind venue.

Airs Friday, June 16th at 9PM and Monday, June 26th at 7PM
