

KLCS COMMUNITY ADVISORY BOARD POLICY

Pursuant to Sections 396 (k)(8)(A) and (D) of the Communications Act of 1934, as amended (47 U.S.C. § 396(k)(8)(A) and (D)), KLCS, as a station owned and operated by a special purpose division of a state, the Los Angeles Unified School District, is exempt from the law's requirement to establish a community advisory board. KLCS, therefore, does not have a community advisory board.

Certification of KLCS' continued compliance with the community advisory board requirement is completed each year as part of the Certification of Eligibility included in the Integrated Station Information System (ISIS). This certification is executed by the General Manager of KLCS and the President of the Board of Education of the LAUSD.
